Delivery of Proxy Material – Notice and Access

For the first time, this year, as permitted by Canadian securities regulators (CSA), the Company is using “notice-and-access” to deliver its latest management information circular, related proxy materials, and **annual report** (the meeting materials) to both registered and non-registered Shareholders via the Internet. This means that, instead of sending the meeting materials by mail, the Company has posted the meeting materials online for you to access at either www.meetingdocuments.com/TSXT/RCG, on our corporate website www.rfcapgroup.com and on SEDAR at www.sedar.com. Notice-and-access gives shareholders faster access to the meeting materials, reduces the Company’s printing and mailing costs, and is environmentally friendly as it reduces paper and energy consumption.
